### DOG FOULING

Dog fouling around Burstwick continues to be a hot topic.

Dog fouling – whether loose or bagged – is offensive, disgusting and a potential health hazard. It is a widespread problem, but sometimes changing the behaviour of just a few thoughtless dog owners can make a big difference.

Residents are encouraged to contact the ERYC dog warden team on 01482 396318 to report any incidents so that they can then look to establish any patterns in behaviours, to enable patrols to be targeted effectively.

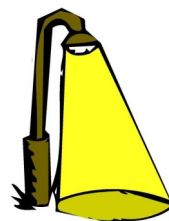

If any area is heavily soiled with dog faeces and requires cleaning, this can be requested by contacting the ERYC StreetScene department on 01482 393939.

### WEBSITE AND SOCIAL MEDIA

Information about the work of the parish council and the facilities it provides is available on our website [www.burstwickpc.co.uk](http://www.burstwickpc.co.uk)

### STREETLIGHTS

Parish council owned streetlights in the Burnham Avenue, Sharp Avenue, Raines Close and Back Lane area are due to be upgraded to LED bulbs.

Eight bulbs will be changed to LED, ERYC are covering the cost of 6 bulbs and the parish council has funded 2 bulbs.

## CENSUS 2021

Every 10 years the census gives the Office of National Statistics (ONS) a complete picture of the nation. This census will be a digital first and will be mainly online. Census Day is Sunday 21st March – but you can fill yours in as soon as you get your postal access code.

After Census Day, at the end of March and into April, census field officers will be visiting households which have not completed the census form. They will encourage people to complete the census and help you to access further help if you need it. Field officers will never need to enter your house.

Field officers will be working in the same way as a postal or food delivery visit. They will be wearing Personal Protective Equipment (PPE) and working in line with government guidance. To find out more about how ONS will be making sure Census 2021 is completed safely during the coronavirus pandemic, please visit:
